

## To whom it may concern

This is to inform and certify that **Mahmoud Mohamed Mahmoud Ali Mahmoud** was playing an important role in the field of programming and application development in our company. During his presence in our company, he managed to finish his training 4 successive training periods; paid and unpaid.

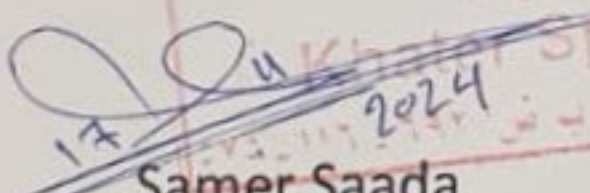

With the help of our research and development department, he managed to develop programs related to some sports; including scoring systems with international rules for both android system and embedded system. He was also a hard worker with passionate experience, which had a great impact on his performance and outputs.

We were happy to have him within our team and wish him all the best for his future.

This statement has been issued upon the above-named request without any obligation or responsibility on our part towards other parties.

Research and development manager

M. Eng. Mohammed AbdElgawad

  
Samer Saada
